

7.1.8 Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.

**Response:**

Atal Bihari Vajpayee College has implemented several measures to make the college an inclusive campus.

**Measures for equal opportunities**

- Atal Bihari Vajpayee College strictly follows the reservation policies laid out by the Government of India for admissions of students and appointments of teaching and non-teaching staff. Special committees like the SC, ST and OBC Counselling Committee and admission cell ensure parity and transparency during the admission process.
- Students from low socio-economic spectrum are granted fee concessions in every academic session. The college also promotes several financial assistance/scholarships provided by the Government of India, state governments and non-governmental organisations to facilitate access to financial assistance among students.
- Mentor-mentee meetings are held regularly and students are encouraged to share their problems –academic or personal – with their mentors. Dedicated teacher-mentor are assigned for outstation students.
- Teachers adopt bi-lingual mode of teaching, wherever required, to assist students with linguistic challenges. This helps students enhance their academic performance.

**Promotion of diversity and inclusivity**

Atal Bihari Vajpayee College promotes cultural plurality and inclusivity on campus. In an effort to unite all cultures, many events are organised to promote cultural diversity
